

ONE MISSED POUR CAN CRACK YOUR SCHEDULE. SLM KEEPS YOU ON SOLID GROUND.

PEOPLE + PLATFORM = COMMAND CENTER

HOW SLM GIVES YOU CONTROL ON CONCRETE PROJECTS

LABOR SHORTAGES
DELAY CRITICAL POURS

KEEP EVERY POUR ON SCHEDULE

- Coordinate labor across staffing partners before pours are delayed.
- Gain visibility to crew availability as production demands change.

EVERY DELAY PUTS THE
SCHEDULE AT RISK

CONCRETE WORKFORCE VISIBILITY

- Track labor across every staffing agency in one place.
- See workforce activity across every project in real time.

SKILLED FINISHERS
ARE HARD TO FIND

TRADE-ALIGNED STAFFING

- Source certified finishers, form setters, and laborers from a vetted network
- Match the right skill set to every pour

WEATHER CHANGES
THE PLAN OVERNIGHT

FLEXIBLE LABOR PLANNING

- Adjust workforce plans as weather and schedules change.
- Manage labor needs across agencies from one platform.

SCHEDULE YOUR
LABOR REVIEW

“

“With SLM by our side, we no longer face the constant back-and-forth with staffing suppliers to secure skilled temporary labor for our jobsites. The SLM team streamlines and manages the entire process, freeing up valuable administrative time and making staffing faster, simpler, and more efficient than ever before.”

-Senior Retention Specialist at Starr Electric Company
