

A DENIED BADGE CAN STALL YOUR CREW FOR WEEKS.

SLM KEEPS YOU CLEARED FOR TAKEOFF.

PEOPLE + PLATFORM = COMMAND CENTER

HOW SLM GIVES YOU CONTROL ON AIRPORT PROJECTS

CREWS WAITING
ON BADGES

AUDIT-READY COMPLIANCE

- Track badge and credential status in real time.
- Verify workers before they arrive at secure

SCHEDULE CHANGES
AT ALL HOURS

TEMP LABOR PLANNING

- Forecast labor by access window—not just by week.
- Scale crews quickly as schedules shift.

NOT ENOUGH CLEARED
TRADESPEOPLE

TRADE-ALIGNED STAFFING

- Source certified specialty trades from a vetted supplier network.
- Match the right certifications to the right work every time

NO REAL-TIME LABOR
VISIBILITY

CENTRALIZED WORKFORCE VISIBILITY

- Track labor spend, hours, and workforce activity in one place.
- Identify overruns and staffing issues before they impact the project.

SCHEDULE YOUR
LABOR REVIEW

“

“ Since partnering with the SLM team seven months ago, my challenges have been completely transformed, and I now have clarity knowing that the SLM team of experts is ready to handle the entire process of hiring, placing, and maintaining our temporary workforce.”

-Project Manager at DP Electric
